

FREE Food Safety e-Learning

This is a small collection of trusted, free e-courses on key food safety-related topics.

They are offered by respected organisations in the UK and worldwide and are a great way to build knowledge at your own pace. Ideal for anyone working with food or looking to keep skills up to date.

These courses cover areas such as allergens, root cause analysis, food defence, Listeria control, food hygiene and safe food handling.

All links go straight to the official providers so you can learn with confidence.

I hope you find them useful.

Do not forget to visit www.ask-sonia.com/free-webinars-calendar for a list of FREE food safety-related webinars, live and on-demand.

Best wishes
Sonia
